I called Judy and told her where in the EA to find where we addressed this. She's going to call Mike to explain it to him and see if she needs to call Stephanie to resolve this before the objection period ends.
FYI.

Mike Doherty called this week. He said Grif Harsh has been unresponsive, and there isn't any deal between him and Mike. Your memory is better than mine. How did we resolve this in the EA? Or did we decide to deal with it in a CE?
